One Hundred Ways

Don Lewis

Compliment what she does
Send her roses just because
If it's violins she loves let them play
Dedicate her fav'right song and hold
Her closer all night long
Lover her today
Find one hundred ways

Don't forget there could be
An old lover in her memory
If you need her so much more
Why don't you say
Maybe she has it in her mind
That she's just wasting her time
Ask her to stay
Find one hundred ways

Bein' cool won't help you keep a love warm
You'll just blow your chance
Take the time to open up your heart
That's the secret of romance

Sacrifice if you care
Buy her some moonlight to wear
If there's one more star she wants
Go all the way

In your arms tonight
She'll reflect that she owes you
The sweetest of debts if she wants to pay
Find one hundred ways

In your arms tonight
She'll reflect that she owes you
The sweetest of debts if she wants to pay
Find one hundred ways

Ya gotta believe it whoa
Love her today
Find one hundred ways
