

All I Do

Kirk Whalum

You made my soul a burning fire
You're getting to be my one desire
You're getting to be all that matters to me

And let me tell you girl
I hope and pray each day I live
A little more love I'll have to give
A little more love that's devoted and true
Cause all I do is think about you

All I do

Oh baby

Is think about you
Think about you baby

All I do

M-m-m-m

Is think about you

Baby just suppose I should happen to cross your mind
And by some chance a boy like me you're really been trying to find

Well let me tell you girl
Think of how exciting it would be
If you should discover you feel like me
If you should discover this dream is for two

We'll I'm gonna tell you girl
I'd light a candle every day
And pray that you'll always feel this way
And pray that our love will forever be new
Cause all I do is think about you

All I do

Oh baby

Is think about you

I think about you

All I do yeah, baby

Is think about you

Gonna tell you girl

I'd light a candle every day
And pray that you'll always feel this way
And pray that our love will forever be new

I'm gonna tell you girl

If I cannot have you for my own
I'd rather be lonely and all alone

I'd rather keep thinking the way that I do

Cause all I do is think about you

All I do

Oh baby

Is think about you

Think about you baby

All I do

Oh oh baby

Is think about you

I think about you baby

All I do

Yeah baby

Is think about you

Think about you baby,

All I do

Baby, baby, baby, baby, baby

Is think about you

All I do is think about you baby

All I do

Is think about you

I think about cha baby

All I do

Yeah, yeah, yeah, yeah

Is think about you

Oh baby, baby, baby

I'm thinking baby

'Bout you baby

I'm thinking baby

'Bout you baby

I'm thinking baby

Give it to me baby

I'm thinking, thinking, yeah, yeah,

'Bout you baby

Yeah, yeah, yeah, yeah, yeah get on down

All I do

Gotta get on down

Is think about you

Whoa whoa whoa get on down

All I do

All I do is think about you baby

Is think about you

I think about you baby

All I do

Oh baby

Is think about you
Can you feel can you feel can feel
All I do
The fire burning can't you feel the birds humming
Is think about you
Think about you baby, oh oh
All I do
Can't you feel my love flowing
Can't you see my love growing
Is think about you
Oh, all I do is think about you
