

# Pure Hatred

## Dropsaw

I have told you things need to change  
You never listened or came to my aid  
The vicious cycle has not changed  
My times spent rearrangedMother fuck it all, I can't stand this  
Remember what I said  
Everyone makes me sick  
Well nothing has changedI hate everyone  
I hate everyoneThe vicious cycle still remains  
Constant cluster fuck, bloodstains  
Ignorance, you kill for God  
Expression not allowedYou fucked it up  
With your mother fucking games  
Remember when I said, "I was so ashamed"  
Well, nothing has changedI hate everyone  
I hate everyoneYou have to  
Pick and choose your fights  
You have to  
Come out of this aliveI have told you things need to change  
You never listened, never came to my aid  
The vicious cycle still not changed  
My judgment fades awayYou'll never change me  
Remember we are through  
I am staying here to betray all of you  
And nothing will changeI hate everyone  
I hate everyone  
I hate everyone  
I hate and I hate  
And I hate everyone
