

# Gotta Get to Know You

## Foghat

I've made up my mind and here's my decision  
I'd like to share with you  
All of my secrets of my religion  
I want you to see, oh, how sweet I could be  
Oh, I just got to get to know you  
I just got to get to know you  
You've got what it takes, whoa there's no denyin'  
I see in you a dream come true  
Lord, you're life to the dying  
I want you to see, oh, how sweet I could be  
Oh, I just got to get to know you  
I just got to get to know you  
In my life there's an empty slot  
Oh, now I believe you can fill that spot  
I just got to get to know you  
I just got to get to know you  
Blessed are the days I spent with you  
Realizin' precious moments we never knew  
Right now I'm just imagining this thing  
But would you believe the joy it brings  
I just got to get to know you  
I just got to get to know you  
I'm gonna get you and hold you tight  
I want to hold you baby, in the middle of the night  
Because I need, I need you baby, I need, I need you by my side  
I need, I need, I need you to keep me satisfied  
Gonna hold you, I'm gonna to squeeze  
I'm going to love you  
I've made, I've made up my mind  
I said I've made, I've made up my mind  
You got it, you got what it takes  
You got, you got what it takes  
I see, I see in you a dream  
I see, a dream come true
