

Slipping Away

Moby

All that we needed was right
The threshold is breaking tonight Open to everything happy and sad
Seeing the good when it's all going bad
Seeing the sun when I can't really see
Hoping the sun will at least look at me Focus on everything better today
All that I needed I never could say
Hold on to people, they're slipping away
Hold on to this while it's slipping away All that we needed tonight
Are people who love us and like
I know how it feels to mean it
Oh and we leave here, you'll see Open to everything happy and sad
Seeing the good when it's all going bad
Seeing the sun when I can't really see
Hoping the sun will at least look at me Focus on everything better today
All that I needed I never could say
Hold on to people, they're slipping away
Hold on to this while it's slipping away
So long
So long Open to everything happy and sad
Seeing the good when it's all going bad
Seeing the sun when I can't really see
Hoping the sun will at least look at me Focus on everything better today
All that I needed I never could say
Hold on to people, they're slipping away
Hold on to people they're slipping away
Hold on to people they're slipping away
