

# Pieces Of You

## Islands

NOW  
the time has come why don't you  
SAY  
we have some fun and we can  
PLAY  
operation and mutilate pieces of you  
NOW  
I know now that this may  
HURT  
but I promise you that I  
WON'T  
do anything that I wouldn't do to my own mother  
and she cries and she begs for her life  
it's sad but it's true  
all that's left are pieces of you  
DE-capitated  
NEXT  
I amputate all the  
THINGS  
that I hate but there won't be anything left of you  
DE-capitated  
NEXT  
I'll amputate all the  
THINGS  
that I hate but there won't be anything left of you  
[solo]and she cries and she begs for her life  
it's sad but it's true  
all that's left are pieces of you  
and she laughs and she cries  
and she begs for her life  
it's sad but it's true  
all that's left are pieces of you  
DE-capitated  
NEXT  
I'll amputate all the  
THINGS  
that I hate but there won't be any thing left of you  
Decapitated

NEXT

I'll amputate all the

THINGS

that I hate but there won't be anything left of you
