

Dying (feat. Serani)

Mavado

Ay, yea, yea, yea, wa, wooh, ooh
Ay, yea, yea, yea, wa, wooh, ooh
Ay, yea, yea, yea, wa, wooh, ooh
Ay, yea, yea, yea, wa, wooh, ooh
Ay, yea, yea, yea, wa, wooh, ooh
Ay, yea, yea, yea, wa, wooh, oohBack in penitentiary
Long gone misery
Left me alone, I grew up
Amongst the mad breedSo my mind
Couldn't find a place to rest
With me got this thug plaque
Tattoo on my chest
Nigga never sleep
When am living in da past
Stare in the lights
Mi pop off and first to blastHe knew my father
He was a gangsta in the streets
But now hes gone
Mi deh ya so still a pleadTill him rest in peace
Now am heading for the treach
I remember me
So many homies in the cemeterySeem as if I am a missionary
But when am gone
Know my momma
Gonna cry for me
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yeaWa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yeaTake me away
From all the pressure
And all the pain
Show me some happiness againI'm going blind
I spend my time down stairs
I live in bed
You know my destiny is hellBut till I fear
My mind is so misleading

I couldn't see
I gotta brain full of demons Tryin' to break free
I know one day when
(Ay)
But when I die, I be steppin' with my father
And the most high [unverified] Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea No one knows my struggle
They don't know my trouble
Son you must go on
Because ya mamma love you They don't wanna see me rich
They wanna see me poor
Gangsta for life, I see you running
Sing some more Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
Wa, ooh, ooh, ay, yea, yea, yea
