Refractor

Painted Palms

AAAAAAAAAAAH
AAAAAAAAAAAH
AAAAAAAAAAAHFlashing in the dark
See them start to gather round
Made a single spark
But it doesn't make a sound
Everyone is here
See your face inside the light
Pulled you into me
We dissolve into the nightAnd when I'm with you
I know we feel the same
Don't have to tell you
You see it in my face
And when I'm with you
There's nothing in the way
Don't have to tell you
You know that it's trueFeel it closing it
Like the rain is coming down
Feel it from within
Speaking hearts don't make a sound
Moving through the air
Light reflecting off your eyes
Hands are in your hair
Fall apart, then you realizeThat when I'm with you
I know we feel the same
Don't have to tell you
You see it in my face
And when I'm with you
There's nothing in the way
Don't have to tell you
You know that it's trueAAAAAAAAAAAH
AAAAAAAAAAAH
AAAAAAAAAAAH
AAAAAAAAAAAHAnd when I'm with you
I know we feel the same
Don't have to tell you
You see it in my face
And when I'm with you
There's nothing in the way

Don't have to tell you
You know that it's trueFlashing in the dark
See them start to gather round
Made a single spark
Speaking hearts don't make a sound
Everyone is here
Light reflecting off your eyes
Hands are in your hair
Fall apart, then you realizeAnd when I'm with you
I know we feel the same
Don't have to tell you
You see it in my face
We know that it's true
There's nothing in the way
Don't have to tell you
You know that it's true
