

# (You're So Square) Baby, I Don't Care

[Joni Mitchell](#)

    Youre so square  
Baby, youre so square Oh, you dont like greasy diners  
    You dont like sleazy bands  
    You just want to go to a movie show  
    And sit there holding hands Youre so square  
Baby I dont care You dont like going to parties  
    To toot and talk all night long  
    You just want to park where its nice and dark  
    And kiss me, sweet and strong Youre so square  
Darling I dont care You dont know any dance steps  
    That are new  
    But nobody else can love me  
The way you do I dont know why my heart flips  
    I only know it does  
    I wonder why I love you baby  
    I guess its just because Youre so square  
Baby I dont care Oh, I dont know why my heart flips  
    I only know it does  
    I wonder why, I love you baby  
    I guess its just because Youre so square  
I dont care Youre so square, youre so square  
    Youre so square, youre so square  
    Youre so square, youre so square
