I Only Wanna Be With You

Volbeat

I don't know what it is that makes me love you so
I only know I never want to let you go
'Cause you started something
Oh can't you see
Ever since we met you've had a hold on me
It happens to be true
I only want to be with you

It doesn't matter where you go or what you do
I want to spend each moment of the day with you
Look what has happened with just one kiss
I never knew that I could be in love like this
It's crazy but it's true
I only want to be with you

I don't know what it is that makes me love you so
I only know I never want to let you go
'Cause you started something
Oh can't you see
Ever since we met you've had a hold on me
It happens to be true
I only want to be with you

You stopped and smiled at me
And asked me if I cared to dance
I fell into open arms
And I didn't stand a chance

Now listen honey
I just want to be beside you everywhere
As long as we're together honey I don't care
'Cause you started something
Oh can't you see
Ever since we met you've had a hold on me
It happens to be true
I only want to be with you
No matter what you do
I only want to be with you
