

Lovely Las Vegas

[Matt Goss](#)

Baby, come and roll the dice
The sunsets on flamingo road
My heart under neon skies
She's got me, now i'm never alone
I, I know one thing is for sure
I'm falling for Las Vegas, where the lights they shine so bright
I'm falling for Las Vegas, more than a strip its a way of life
I'm falling for Las Vegas, where not one dream is out of sight
Its so plain to see, she's been good to me, oh my lovely Las Vegas tonight (woah tonight, woah tonight,
tonight)Holding hands in Summerlin, oh i think I've fallen in love
Baby i say how do you do, I tip my hat like Howard Hughes
When i'm with you I don't feel the blues
I, I know one thing is for sure
I'm falling for Las Vegas, where the lights they shine so bright
I'm falling for Las Vegas, more than a strip its a way of life
I'm falling for Las Vegas, where not one dream is out of sight
Its so plain to see, she's been good to me, oh my lovely Las Vegas tonight (woah tonight, woah tonight,
tonight)Lets go fellas yeah
Working the pool making the best of less in Vegas
This is my lovely Las Vegas
Lets all raise a glass
I, I know one thing is for sure, is that i'm falling for Las Vegas, where the lights they shine so bright
Las Vegas, more than a strip its a, you know, way of life
Falling for Las Vegas, where not one dream is out of sight
Its so plain to see, shes been good to me yeah, oh my lovely Las Vegas tonight
Its so plain to see yeah, shes been good me
My LOVE-LY LAS VEGAS, toniiiiiiiiiggghhhhtttttt
