

# Why

## Annie Lennox

Why?

Why?

How many times, do I have to try to tell you

That I'm sorry for the things, I've done? ooh

But when I start to try to tell you

That's when you have to tell me

Hey, this kind of trouble's only just begun, yeah

I tell myself too many times

Why don't you ever learn to keep your big mouth shut?

That's why it hurts so bad, to hear the words

That keep on falling from your mouth

Falling from your mouth, falling from your mouth

Tell me

Why?

Why?

I may be mad, I may be blind, I may be viciously unkind

But I can still read what you're thinking, ooh

And I've heard it said too many times, that you'd be better off

Besides, why can't you see this boat is sinking?

This boat is sinking, this boat is sinking

Let's go down to the water's edge

And we can cast away those doubts

Some things are better left unsaid

But they still turn me inside out

Turning inside out, turning inside out

Tell me

Why?

Tell me

Why?

This is the book, I never read

These are the words, I never said

This is the path, I'll never tread

These are the dreams, I'll dream instead

This is the joy, that's seldom spread

These are the tears, the tears we shed

This is the fear, this is the dread

These are the contents of my head

And these are the years, that we have spent

And this is what they represent  
This is how I feel, do you know how I feel?  
'Cause I don't think you know how I feel  
I don't think you know what I feel  
I don't think you know what I feel  
You don't know what I feel
