Stubborn Heart

STUBBORN HEART
WRITER JOHNNIE MASTERSEverything that I say seems to upset you
When I try to tell you of my love
Open your eyes don't tear us apart
Honey you're already wrong as your stubborn heart
Stubborn heart you could be happy
Stubborn heart you could be laughing
We're like two lonely stars so far apart
Honey you're already wrong as your stubborn heart
You have turned my lonely heart into a beggar
When I tried to kiss you you turned away
I'm begging you now to make a new start
Honey you're already wrong as your stubborn heart
Stubborn heart you could be happy...
