Self Pride

Agnostic Front

Dedication measures strength with everything I do
I pride myself on the fact that I always see things through
Determination means sacrifice, knock down the walls of strife
That's the key to progress, that's the key to all successSelf-pride, my integrity
Is my word, live by sincerity
Self-pride, I was raised to be
The best that I can be
[x2]
My aspirations to live a better life
It's not about being wrong or right
It's about what you've learned
Overcome before you crash and burn
Motivation, I'll never lose my stride
I'll always keep my dreams alive
I give with all my heart
I strive, and never will I lose my...Self-pride, my integrity
Is my word, live by sincerity
Self-pride, I was raised to be
The best that I can be

Self-pride - never will I lose my prideMy pride burns deep
My pride burns deep - like my dedication
My pride burns deep - like my determination
Self-pride, my integrity
Is my word, live by sincerity
Self-pride, I was raised to be
The best that I can be
[x2]
