

Votre Amour

The Nova Echo

the feeling of the burning sun
has never really been enough
I saw a silhouette of a girl
behind the brightest warm red light
I felt my arms grow tense in the blind sight
and a pressure lift from me
for a moment everything was silent
and then returned to the sound of the sea
and everything I felt
like a peaceful sense of dying
became the light inside of me
(je sens votre amour)

I watch you go, everyday but still I can't find the words to say
(je sens votre amour)
and you will never know, everyday I think of you
it's all that I can do
(je sens votre amour)

a neon shade of desire
left its imprint on me
and I know I'm too much of a coward
to ever push the envelope
a quick glance dropped in passing
is enough for me to feel
it's a hope that leads me nowhere
but it's the spark that I need
and you'll never know
that you're the one last thing that I stand for
you're the light inside of me
(je sens votre amour)

I watch you go, everyday but still I can't find the words to say
(je sens votre amour)
and you will never know, everyday I think of you
it's all that I can do

(je sens votre amour)

and I know it's just a hopeless romantic way to never say
maybe there's nothing there but I feel your connection in a way
am I regretting never making this into something beautiful
but to me this is the perfect lie
