

Your Love

Alamid

you're the one that never lets me sleep
to my mind, down to my soul you touch my lips
you're the one that i can't wait to see
with you here by my side i'm in ecstasy i am all alone without you
my days are dark without a glimpse of you
but now that you came into my life
i feel complete
the flowers bloom, my morning shines
and i can seechorus:
your love is like the sun
that lights up my whole world
i feel the warmth inside
your love is like the river
that flows down through my veins
i feel the chill insideevery time i hear our music play
reminds me of the things that we've been through
in my mind i can't believe it's true
but in my heart the reality is you i am all alone without you
my days are dark without a glimpse of you
but now that you came into my life
i feel complete
the flowers bloom, my morning shines
and i can seeyour love is like the sun
that lights up my whole world
i feel the warmth inside
your love is like the river
that flows down through my veins
i feel the chill inside
