

I Can't Stand (To See You This Way)

Zola Jesus

It's not easy to fall in love
But if you're lucky, you just might find someone
So don't let it get down
No, don't let it get you down
Cause in the end
You're only one
Yes in the end you're on your own
It's not easy to ?
But if you're lucky, you might find someone
So don't let it get you down
I can't stand to see you this way
I can't stand to see you this way
I can't stand to see you this way
It's gonna be alright
It's gonna be alright
It's gonna be alright
I can't stand to see you this way
I can't stand to see you this way
It's gonna be alright
It's gonna be alright
It's gonna be alright
It's not easy to let it all go
But once in a while, it's good for your soul
So don't let it get down
No, don't let it get you down
'Cause in the end, you're on your own
Yes in the end you're on your own
It's not easy to let it all go
But once in a while, it's good for your soul
It's good for your soul
I can't stand to see you this way
I can't stand to see you this way
I can't stand to see you this way
It's gonna be alright
It's gonna be alright
It's gonna be alright
I can't stand to see you this way
I can't stand to see you this way
It's gonna be alright
It's gonna be alright
It's gonna be alright

I can't stand to see you this way

I can't stand to see you this way

It's gonna be alright

It's gonna be alright

It's gonna be alright
