On the Way Out

Freedy Johnston

One, two, threeOn the way out I'm thinkin'
You get what you take anyway
On the way out you're watchin'
Wonder if I am gonna payNo I'm just lookin' round
Thanks a lot
I gotta be goin' now
Will I get caughtOn the way out I'm smilin'
Look nice, you might be photographed
On the way out you're thinkin'
Looks like he never put it backJust kinda walk around
Check it out
Take two, put one down
Don't think ya saw itBack home, another day
What'd ya get
Who needs that anyway
Know what I'm sayin'On the way out I'm thinkin'
You get what you take anyway
On the way out you're watchin'
Wonder if I am gonna payNo I'm just lookin' round
Thanks a lot
I gotta be goin' now
Will I get caughtOn the way out, on the way out
On the way out, on the way out
On the way out, on the way out
On the way out, on the way out
