

On the Way Out

[Freedy Johnston](#)

One, two, three On the way out I'm thinkin'
You get what you take anyway
On the way out you're watchin'
Wonder if I am gonna pay No I'm just lookin' round
Thanks a lot
I gotta be goin' now
Will I get caught On the way out I'm smilin'
Look nice, you might be photographed
On the way out you're thinkin'
Looks like he never put it back Just kinda walk around
Check it out
Take two, put one down
Don't think ya saw it Back home, another day
What'd ya get
Who needs that anyway
Know what I'm sayin' On the way out I'm thinkin'
You get what you take anyway
On the way out you're watchin'
Wonder if I am gonna pay No I'm just lookin' round
Thanks a lot
I gotta be goin' now
Will I get caught On the way out, on the way out
On the way out, on the way out
On the way out, on the way out
On the way out, on the way out
