

# On the Way Out

## Freedy Johnston

One, two, threeOn the way out I'm thinkin'  
You get what you take anyway  
On the way out you're watchin'  
Wonder if I am gonna payNo I'm just lookin' round  
Thanks a lot  
I gotta be goin' now  
Will I get caughtOn the way out I'm smilin'  
Look nice, you might be photographed  
On the way out you're thinkin'  
Looks like he never put it backJust kinda walk around  
Check it out  
Take two, put one down  
Don't think ya saw itBack home, another day  
What'd ya get  
Who needs that anyway  
Know what I'm sayin'On the way out I'm thinkin'  
You get what you take anyway  
On the way out you're watchin'  
Wonder if I am gonna payNo I'm just lookin' round  
Thanks a lot  
I gotta be goin' now  
Will I get caughtOn the way out, on the way out  
On the way out, on the way out  
On the way out, on the way out  
On the way out, on the way out
