

# Scream Bloody Murder

## Exciter

You don't know what you do to me  
My love knows no bounds  
The wishing well is all but gone  
And you're nowhere to be found  
I'll track you down and tie you up  
I'll feed you my love  
So wake up bitch and pray to the Lord above  
Scream bloody murder  
As my love enters you  
You'll scream bloody murder  
There's nothing you can do  
Girl if you think that you're leavin'  
Without a fight  
You've got another thing coming  
You'll see the light  
Take good care when you talk to me  
I might be insane  
Don't just stare  
Look what you did to my brain  
Scream bloody murder  
As my love enters you  
You'll scream bloody murder  
There's nothing you can do  
Girl if you think that you're leavin'  
Without a fight  
You've got another thing coming  
You'll see the light
