

Let Us Be Loving (kidkanevil Remix)

[Alice Russell](#)

I sat alone and watched TV
What a feeling can't be changed
As they say a smile won't catch your eye
So goodbye, goodbye, goodbye to loving Let us be loving, let us be loving
Let us be, let us be, let us be
Let us be, let us be, let us be And the grass out there on the riverside
It don't have to grow
Out into this forest wide
You reap just what you sow Lonely in this jungle deep
A smile won't catch my eye
So goodbye, goodbye, goodbye
Goodbye, goodbye, goodbye
Goodbye, goodbye, goodbye
So goodbye, goodbye, goodbye
Goodbye, goodbye to loving Let us be loving, let us be loving
Let us be, let us be, let us be, let us be
Let us be, let us be, let us be
So goodbye, goodbye, goodbye to loving Keep on keep on keep on
Keep on keep on keep on
Keep on keep on keep on
Loving, loving Keep on keep on keep on
Keep on keep on keep on
Keep on keep on keep on
Loving, loving
