

# Picture Perfect

## Every Avenue

Picture perfect, that's what it seems  
They've got this whole thing figured out, but not me  
We'll leave this place behind, doesn't that feel right?  
Picture perfect, it's picture perfect  
Through the fire  
Through the smoke and the flames  
In my reflection in the window  
Match in hand and I'm running  
Everyone's screaming, "You're never gonna get there"  
Waking up shaking, feels much better  
And everyone's saying, "Shape up and get a life"  
If nothing goes wrong then how will it feel right?  
Picture perfect doesn't mean much to me  
Is it true what they're saying?  
I gotta settle down in place just like the rest  
Living the dream, is this what it feels like?  
Picture perfect, it's picture perfect  
The days are fading like they're one in the same  
I point the finger and it shows me I'm to blame  
And I'm running  
Everyone's screaming, "You're never gonna get there"  
Waking up shaking, feels much better  
And everyone's saying, "Shape up and get a life"  
If nothing goes wrong then how will it feel right?  
Picture perfect doesn't mean much  
Picture perfect doesn't mean much to me  
I've had enough, time to figure this out  
But I can't believe that I waited this long  
I've seen the truth in another light  
This is everything I never wanted to be  
Wake up, shape up, you're never gonna get there  
If nothing goes wrong then how would it feel right?  
Wake up, shape up, you're never gonna get there  
It's picture perfect, it's picture perfect  
Everyone's screaming, "You're never gonna get there"  
Waking up shaking, feels much better  
And everyone's saying, "Shape up and get a life"  
If nothing goes wrong then how will it feel right?  
Everyone's screaming, "You're never gonna get there"  
Waking up shaking, feels much better  
And everyone's saying, "Shape up and get a life"  
If nothing goes wrong then how will it feel right?  
Picture perfect doesn't mean  
Picture perfect doesn't mean much to me  
Picture perfect doesn't mean much to me
