Inside Of Me (DropX Remix)

Gianfranco

Your love on me Set me free (x2)
You are the one who lets me deep
I see your eyes theyre watching me
I see your smile it shines for meMy love will last eternally
Inside of me
Set me free
Inside of me
Your love on me
Set me freeI see your eyes theyre watching me
I see your smile it shines for me
My love will last eternally inside of me
Your love on me
Inside of me
Set me free
Inside of me (x2)Without your body here with me
Without your touch I cannot sleep
You are the one who lets me deep
Inside of me (x3)Now when you come around my mind
I can search but never find
It is you, you set me free
Cant you see inside of me?Without your body here with me
Without your touch I cannot sleep
You are the one who lets me deep
When you leap inside of meI see your eyes theyre watching me
I see your smile it shines for me
My love will last eternally
Your love on me (x2)
It shines for me
Your love on me
It shines for me
Inside of me
