

# Hang On to a Dream

## The Nice

What can I say?  
She's walking away from all we saw  
What can I do?  
Still loving you, it's all a dream How can we hang on to a dream?  
How can it really be the way it seems? What can I do?  
She's still saying it's through with how it was  
What will I find?  
I still can't see why she says what she does How can we hang on to a dream?  
How can it really be the way it seems? What can I say?  
She's walking away from all we saw  
What can I do?  
She's still saying we're through, it's all a dream How can we hang on to a dream?  
How can it really be the way it seems?  
How can we hang on to a dream?
