

# Blood, Sweat & Tears

[Kenny Lattimore](#)

Tell me where has your love gone  
Seems the distance is great  
And I do anything just to reach you If it takes all of my last breath  
Gotta get back to the heart of togetherness  
Baby can't you see all my blood, sweat and tears  
I'm ready and willing to  
Give you every last drop of my life  
That's what it's gonna take to keep you here by my side  
Here's my love, all my blood, sweat and tears Show me what can I do now  
To make it all better somehow  
Case I know I refuse to go on without you  
And baby I'm gonna fight to the end  
Gonna do what I gotta do to get you back again  
Cause I'm just half a man without you If it takes all of my last breath  
Gotta get back to the heart of togetherness  
Baby can't you see all my blood, sweat and tears  
I'm ready and willing to  
Give you every last drop of my life  
That's what it's gonna take to keep you here by my side  
Here's my love, all my blood, sweat and tears Baby I'd go to war for you  
Don't you know that you're my best friend  
And I lose it all, yes I lose it all  
To gain your love again  
My heart's open before your eyes  
Baby tell me are you ready to try  
Cause I know, I know  
Yes I know we can make it right If it takes all of my last breath  
Gotta get back to the heart of togetherness  
Baby can't you see all my blood, sweat and tears  
I'm ready and willing to  
Give you every last drop of my life  
That's what it's gonna take to keep you here by my side  
Here's my love, all my blood, sweat and tears
