

No More

Mandy Patinkin

No more questions, please
No more tests
Comes the day you say, 'What for?'
Please no more We disappoint, we disappear, we die, but we don't
They disappoint in turn, I fear
Forgive, though, they won't No more riddles
No more jests
No more curses you can't undo, left by fathers you never knew
No more quests
No more feelings. Time to shut the door
Just No more Running away, let's do it
Free from the ties that bind
No more despair, or burdens to bear
Out there in the yonder
Running away, go to it
Where did you have in mind?
Have to take care unless there's a 'where'
You'll only be wandering blind
Just more questions different kind
Where are we to go?
Where are we ever to go?
Running away, we'll do it
Why sit around, resigned?
Trouble is, son, the farther you run
The more you'll be wandering blind
For what you have left undone, and more
What you've left behind
We disappoint, we leave a mess, we die, but we don't
