

# Goldeneye

Pat Appleton

See reflections on the water  
More than darkness in the depths  
See him surface in every shadow  
On the wind, I feel his breath Goldeneye, I found his weakness  
Goldeneye, he'll do what I please  
Goldeneye, no time for sweetness  
But a bitter kiss will bring him to his knees You'll never know how I watched you  
From the shadows as a child  
You'll never know how it feels to be the one  
Who's left behind You'll never know the days, the nights  
The tears, the tears I've cried  
But now my time has come  
And time, time is not on your side See him move through smoke and mirrors  
Feel his presence in the crowd  
Other girls, they gather around him  
If I had him, I wouldn't let him out Goldeneye, not lace or leather  
Golden chains take him to the spot  
Goldeneye, I'll show him forever  
It'll take forever to see what I've got You'll never know how I watched you  
From the shadows as a child  
You'll never know how it feels  
To be so close and be denied It's a gold and honey trap  
I've got for you tonight  
Revenge it's a kiss, this time I won't miss  
Now I've got you in my sight  
With a goldeneye, golden, goldeneye  
With a goldeneye, goldeneye
