

Just Look At Me

George Strait

One look at you
And just look at me
Held under your spell
So helplessly
Yes I'm still your fool
Any fool can see
One look at you
And just look at me I thought I'd be over you by now
But I guess it's too soon
The truth was so plain to see
Tonight when you walked in the room
I just couldn't control the tears
When I saw you again
My love is still as strong for you
As it's ever been One look at you
And just look at me
Held under your spell
So helplessly
Yes I'm still your fool
Any fool can see
One look at you
And just look at me I'm still your fool
Guess I'll always be
One look at you
And just look at me
