Won't Let You Go

Avril Lavigne

When you're falling, you're crushing
When your fire has turn to ashes
You're screaming, your heart is bleeding
when you're feeling like there's no reason
I won't let you go?
No, I? I won't let you go
It's when you're all alone, and it's cold and there's no one to hold
When you feeling lost and there's nowhere, there's nowhere to go
When you're feeling sad, don't forget you can reach for my hand
When you feeling down just remember?
I won't let you go... I won't let you go?
I won't let you go... I won't let you go?
When you're torn down, when you're messed up
Don't you give in...
No, don't you give up.
When you're drowning, and you're fading

Always know that, I'm always waiting
And I... I won't let you go..
No, I won't let you go..
It's when you're all alone, and it's cold and there's no one to hold
When you're feeling lost and there's nowhere, there's nowhere to go
When you're feeling sad, don't forget you can reach for my hand
When you feeling down just remember, remember, remember....
When I said forever, I know that I meant forever...
And I won't let you down, I can always be found, and I'm always around....
When you're all alone, it's cold, there's no one to hold
When you're feeling lost and there's nowhere, nowhere?
When you're feeling sad, don't forget you can reach for my hand
When you're feeling bad just remember...
I won't let you go... I won't let you go?
I won't let you go... I won't let you go?
Won't let you go?
