

# Lost Love

## Golden Smog

Lost love in the desert  
Lost love on the sea  
You can put it behind you  
But it's still beyond me 'Cause hearts break in the summer  
Will they meet me in the spring  
Broken hearts all around me  
But I don't feel a thing Lost love on the highway  
Lost love on the phone  
Lost love with a suitcase  
Heading back home Where hearts break in the summer  
And they meet in the spring  
Mines still wrapped inside me  
But I don't feel a thing You're my lost love, I can't see  
That you're coming back for me  
You're the travel I can't find  
And it's only a matter of time Should have taken it all so hard  
Should have taken it all so hard And my lost love  
My lost love  
My lost love  
And my lost love
