Talking Myself Down

The Go-Go's

Don't want to hear the things you'd do to me
Only if you could
I don't want you to get near to me
It just might feel too goodDon't lead me
Where we shouldn't go
And I'll try not to make too much
Of what you say you knowI'm levitating
Having trouble concentrating
Talking myself down
I need to feel the ground
Thinking every thought out loud
Talking myself downI know
I've been here before
The price is
Too high to affordIf I'm hesitating in this room
So close to you
I'm someone with a weakness
For the damage you could doIt's intoxicating
Having trouble concentrating
Talking myself down
I need to feel the ground
Thinking every thought out loud
Talking myself downI'm levitating
It's intoxicating
Having trouble concentrating
