CHAMPIONS & GUARDIANS

(c) 2012 Paul P Music ASCAP

written by P.J. Pacifico

Onward, around & back again

Just hung up with a best friend

Is this the way I was then?

Am I new to you?

A way you never knew before

Just kicked down the front door

Your everyday is no more

It's brand new to you and me

It's so easy to see

All at once, it's me

Chorus:

All at once, this all appears among

The two of us who never knew each other much

And just for fun, look at what we've become

All at once, champions & guardians

When shall we three meet again

In thunder, lightning or insane?

It'll never be the same

Thanks to you

Wake up one day and wonder why

The things that hide inside are gone

Besides inner pride, welcome anew

Chorus: Waiting for the day to come

And put this all behind

It's our turn to shine

Chorus:

Waiting for the day to come

And put this all behind

It's our turn to shine
