

Once, Twice, Three Times

Howard Hewett

(Intro)

Ooo, ahh, ahh(Verse 1)

I remember the first time I danced with you baby

it was a slow song, the lights were so low, ooo

I held you so close

I could feel your heart beating next to mine(Chorus)

Then I kissed you

once (once), and my head started spinning

twice, like a merry-go-round

three times, and I fell so deep in love with ya baby, oh(Verse 2)

Now we've gotta sit back and check this thing out baby (you see)

It's not like me to fall so deep, so soon, ooo

I don't know what's happenin' baby

I don't know what's coming over me(Chorus)

But when I kissed you

once (once), my head starts to spin and

twice, oh like a merry-go-round

three times, oh I fell, I fell so deep in love with ya baby, hey, hey, hey, hey(Instrumental break)(Chorus)

I kissed you

once (once), my head starts to spin and

twice, oh like a merry-go-round

three times, hoo, hoo, hoo, I fell so deep in love with ya baby, yeah

once (ah once), my love, I fell so deep in love

twice, oh like a merry-go-round, oh girl

three times, hoo, hoo, hoo, my love, I fell so deep in love, hoo

once, I fell so deep, I, oh girl

twice, my, my, my, my, my, my love

three times, three times, I fell in love with ya baby, hey
