

Then You Kiss

I Hate Kate

Advisory - the following lyrics contain explicit language:

What you're cooking in the kitchen
Is it more of your bitchin' attitude
That you give, that you give, that you give
 But I don't want it
 I won't have it
Oh, not todayWell I saw you in the city
 You were looking really pretty
All your friends, all your friends, all your friends were acting very strangely towards me
 You're up to no good
Oh, not todayPull me from this paranoiaWell you lie
 Then you kiss, then you kiss
 Then you kiss, then you try
 Then you miss, then you miss
 Miss then you lie
 Then you kiss, then you kiss
Then you kiss other boysWell you lie
 Then you kiss, then you kiss
 Then you kiss, then you try
 Then you miss, then you miss
 Miss then you lie
 Then you kiss, then you kiss
Then you kiss other boysYou know you make me laugh
 You know you make me sick
Telling all my friends that I got a small attention span
 That's not what you told me, not what you told me
Not what you told me when you told me you loved me
No, oh, ohAnd now we never walked down that street
 And we never danced to that beat
 And we never bring it down
 Down, down, oh like we used to
 You're up to no good
Oh, not todayPull me from this paranoiaWell you lie

Then you kiss, then you kiss
Then you kiss, then you try
Then you miss, then you miss
Miss then you lie
Then you kiss, then you kiss
Then you kiss other boysWell you lie
Then you kiss, then you kiss
Then you kiss, then you try
Then you miss, then you miss
Miss then you lie
Then you kiss, then you kiss
Then you kiss other boysIs it a girl?
Is it a girl?
Is it a girl?
You're getting under my skin
Is it a girl?
Is it a girl?
Is it a girl?
Fingers pointing back at me no moreThen you kiss, then you kiss
Then you kiss, then you try
Then you miss, then you miss
Miss then you lie
Then you kiss, then you kiss
Then you kiss other boysWell you lie
Then you kiss, then you kiss
Then you kiss, then you try
Then you miss, then you miss
Miss then you lie
Then you kiss, then you kiss
Then you kiss other boysWell you lie
Then you kiss, then you kiss
Then you kiss, then you try
Then you miss, then you miss
When you lie
Then you kiss
Then you kiss, kiss, kiss, kiss
