Highnote

Odonis Odonis

Waiting for
A cosmic girl from magazines
We convene
Just outside your houseFly to space
All logic is so far from here
If only we could breath
Without a plastic shellAll this I know
On a highnote
See my hand
They see me
Waiting for earth to blow
Dream girl waiting for answer
But you won't find
What it is you need here
It's alright
Well find in the next life
Near to me
The songs always seem to fade
Like the color of the bedroom floor
You always knew what to say
