

# null and void

## Detroit

Here I am, God knows I'm stranded in our times  
Suffocated, a champion in his prime  
Call me a computer illiterate  
Label me, non existent, null and void  
Humble flowers stifled in our glorious backyard  
Scurrying lovely little big brothers recording my life  
Tamed children under the latest spell  
Nice and pretty, better them than me  
Overloaded realm, homeland of the genius and the lamebrain  
Do I have my place  
Or will I keep digging through the sand  
Will me to be a leader as your slave  
Or label me, non existent, null and void
