

Ghost Of Corporate Future

Regina Spektor

A man walks out of his apartment
It is raining, he's got no umbrella
He starts running beneath the awnings
 Trying to save his suit, trying to save his suit
Trying to dry, and to dry, and to dry but no good
When he gets to the crowded subway platform
 He takes off both of his shoes
 He steps right into somebody's fat loogie
 And everyone who sees him says, "Ew"
 Everyone who sees him says, "Ew"
 But he doesn't care
'Cause last night he got a visit from the
 Ghost of Corporate Future
The ghost said, "Take off both your shoes
 Whatever chances you get
 Especially when they're wet"
He also said, "Imagine you go away
 On a business trip one day
 And when you come back home
 Your children have grown
And you never made your wife moan
 Your children have grown
And you never made your wife moan"
 "And people make you nervous
 You'd think the world is ending
 And everybody's features
 Have somehow started blending"
 "And everything is plastic
 And everyone's sarcastic
 And all your food is frozen
 It needs to be defrosted"
 "You'd think the world was ending
 You'd think the world was ending
You'd think the world was ending right now"
 "You'd think the world was ending
 You'd think the world was ending
You'd think the world was ending right now"
 "Well maybe you should

Just drink a lot less coffee
And never ever watch the ten o'clock news
Maybe you should kiss someone nice
Or lick a rock, Or both"
"Maybe you should cut your own hair
'Cause that can be so funny
It doesn't cost any money
And it always grows back
Hair grows even after you're dead"
"And people are just people
They shouldn't make you nervous
The world is everlasting
It's coming and it's going"
"If you don't toss your plastic
The streets won't be so plastic
And if you kiss somebody
Then both of you'll get practice"
"The world is everlasting
Put dirt balls in your pocket
Put dirt balls in your pocket
And take off both your shoes"
"'Cause people are just people
People are just people
People are just people like you"
"People are just people
People are just people
People are just people like you"
The world is everlasting
It's coming and it's going
The world is everlasting
It's coming and it's going
It's coming and it's going
