

Love You Pass (feat. Bez)

Falz

Yeah

Here comes the bride

All dressed in white

Ladies and gentlemen my name is Falz aka Falz the bahd guy
and my man Bez in the building by the way

Yeah

You be gem, you be gift, you be blessing too.

“Baba God know I do...” Falz feat. BeZ

The best years of my life I've spent with you

Stay by your side is what I swear to do

And I love that I'm always myself with you

When I make all the naira, I will share with you.

If rain fall, sunshine I'll be here with you

Until my dying days when I end with you

Boya love potion, Boya mo ti je juju

Or maybe you wash put inside the soup

Well, gimme more I like the food

Nobody understands me how you do

This your sweet love only thing I wish for

No be say sweet talk, baby I need more

Me and you in swimming pants

on the sea shore

Forever and ever

shey you see the picture?

You know say na me wey love you pass

Baba God know I do...

Nothing can stop it

Nothing can change it

You know say na me wey love you pass o

Baba God know I do...

Nothing can stop it

Nothing can change it

My love no be CD

You be queen, I be king make we rule the world

Come and rest on my chest where you belong

Give you all my heart even if e be the worst crime

Your love no go tire me

forever aint enough time

Say my name

My body dey sweet me
Them no dey stop am
Cuz the love no be CD
E no fit switch off

To ba mon pe o ni'fe mi
Then you gotta be ready
And if you do wrong and you call it a mistake
my love no go rewind cuz the love no be tape
No be love wey dey shake
The love no be fake
Bae, I'll take a bullet to the skull for your sake
Ehn
Mo shey inawo, mo ni k'omo wa gbadun

Nothing can change it
My love no be CD
Doesn't even matter what you do
Doesn't even matter what you say
Thinking about one thing that could make my heart go far away from You...
I dont know what I could do without your loving babyyyy
Because...
You know say na me wey love you pass
Baba God know I do...
Nothing can stop it
Nothing can change it
My love no be CD
You know say na me wey love you pass o

Baba God know I do...
Nothing can stop it
Nothing can change it
My love no be CD
You know say na me wey love you pass
Baba God know I do...
Nothing can stop it
Nothing can change it
My love no be CD
You know say na me wey love you pass o
Baba God know I do...
Nothing can stop it
Nothing can change it
My love no be CD
