

Lily Allen

When she was 22 her future looked bright  
But she's nearly 30 now and she's out every night  
I see that look in her face, she's got that look in her eye  
She's thinking how did I get here and wondering why  
It's sad but it's true how society says her life is already  
over  
There is nothing to do and there is nothing to say  
'Til the man of her dreams comes along  
Picks her up and puts her over his shoulder  
It seems so unlikely in this day and age  
She's got an alright job but it's not a career  
Whenever she thinks about it, it brings her to tears  
'Cause all she wants is a boyfriend, she gets one night stands  
She's thinking how did I get here, I'm doing all that I can  
It's sad but it's true how society says her life is already  
over  
There's nothing to do and there's nothing to say  
'Til the man of her dreams comes along  
Picks her up and puts her over his shoulder  
It seems so unlikely in this day and age  
It's sad but it's true how society says her life is already over  
There's nothing to do and there's nothing to say  
'Til the man of her dreams comes along  
Picks her up and puts her over his shoulder  
It seems so unlikely in this day and age
