Hold onto Me

Wayward Scars

[Verse 1]
You are so beautiful to me
Eyes of an angel that melt me
I know this road can tear you down
So keep your feet firm on the ground
I see the scars and broken crown
But I want you to knowâ€¦

[Bridge]
I wonâ€™t give up or walk away
I promise I will stay

[Chorus]
So even in the times youâ€™re lost
Iâ€™ll be there with you
And even in the times youâ€™re alone
Iâ€™ll be by your side
So holdâ€¦ Hold onto me

[Verse 2]
Well I have been where you stand
And itâ€™s so hard to not turn back
The fear so strong you want to hide
So hard to tell the truth from lies
Youâ€™re dying just to feel alive
And I want you to knowâ€¦

[Chorus]
That even in the times youâ€™re lost
Iâ€™ll be there with you
And even in the times youâ€™re alone
Iâ€™ll be by your side
So holdâ€¦ Hold onto me

Hold onto me
Hold onto me

And I know just how it feels when the world seems far away
And you want is to hear the words that make everything okay

[Chorus]
That even in the times youâ€™re lost
Iâ€™ll be there with you
And even in the times youâ€™re alone
Iâ€™ll be by your side
So holdâ€¦ Hold onto me
