

# Life After You

## Daughtry

I'm ten miles from town  
And I just broke down  
Spittin out smoke on the side of the road

I'm out here alone  
Just tryin to get home  
to tell you I was wrong but you already know

Believe me I won't stop at nothing  
to see you so I started running

All that I'm after is a life full of laughter  
As long as I'm laughing with you.  
I'm thinkin' that all that still matters  
Is love ever after  
After the life we've been through.  
'Cause I know theres no life after you.

The last time we talked  
the night that I walked  
burns like an iron in the back of my mind.

I must have been high  
to say you and I  
weren't meant to be and just wastin my time

Oh why did I ever doubt you  
You know I would die here without you

All that I'm after is a life full of laughter  
As long as I'm laughin with you  
I'm thinkin' that all that still matters is love ever after  
After the life we've been through  
'Cause I know theres no life after you

You and I, right or wrong  
There's no other one  
after this time I've spent alone  
I do believe that

a man with sight could be so blind  
think about the better times  
must've been out of my mind  
so I'm runnin back to tell you  
all that I'm after is a life full of laughter  
without you god knows what i'd do

(Yeah) All that I'm after is a life full of laughter  
As long as I'm laughin with you  
I'm thinkin' that all that still matters is love ever after  
After the life we've been through  
(yeah) you know theres no life after you

No theres no life after you  
No theres no life after you  
No theres no life after you  
No theres no life after you yeah
