Into the Light

jj

You get up every morning by the echoes of your dream
Getting hit by life and a world that intervenes
It's not easy getting out of bed
It's not easy getting it out of your headAnd it feels like everything is right
And it feels like as you step into the lightIt's the life I chose to live
It is all I have to give
I take my time to perfect the beat
I still got love
I keep it neat
Do you feel the heat
