# The Liar

## Marriages

Oh Mother they say, they say he was made for me
Just you wait a while, just you wait and see
He tattooed with the Devil's eyes
Idle hands and voice so kind
That lies
But he liesYou lie, you lie, and suffer my name
It's mine, it's mine to give or take it
So throw me in that deep black hole of his hellYou know this was never meant for me
His lying tongue lay me down with the Devil's seed
Every night that he come 'round
Every night you know the Devil
The Devil is out so
You lie, you lie, and suffer my name
It's mine, it's mine to give or take it
So throw me in that deep black hole of his hell
Oh throw me in that deep black hole of his hell
