## Glitches

Little Jesus sweetly sleep do not stir  
We will lend a coat of fur  
We will rock you, rock you, rock you  
We will rock you, rock you now  
See the fur to keep you warm  
Snuggle 'round your tiny form  
Mary's little baby sleep sweetly sleep  
Sleep in comfort slumber deep  
And we will rock you, rock you, rock you  
We will rock you, rock you now  
We will serve you all we can  
Darling, dancing little man  
Yeah, we will rock you, rock you, rock you  
We will rock you, rock you now  
We will rock you, rock you, rock you  
We will rock you, rock you now
