

Leavin' Train

[Bruce Springsteen](#)

When I ask you if everything is alright
You whisper "don't worry" and you shut out the light
Now black is black in this bed we're laying
And I wanna believe the words that you're saying
Chorus:
But your eyes look like a leavin' train
They keep on dragging me down
Your eyes look like a leavin' train
They keep on draggin'
They keep on draggin'
They keep on draggin' me down
Well I did anything just to try to get close to you
I took it step by step like a man's supposed to
Tell me now, is this my
Is this my contrition
To have the love that I longed for fill me with suspicion
(chorus) Now it's tellin' time, oh my little sister
Now can I believe the words, the words of love you whisper
Is my train in vain, has my soul gone to waste
Am I just a victim of, a victim of my lost faith
(chorus)
