

# Classic (feat. Fetty Wap & POWERS )

## The Knocks

Yeah, it feels so classic  
You and me, the magic  
And I know we have it  
Cause it feels, yeah, it feels, yeah, it feels so classic  
Cause it feels, yeah, it feels, yeah, it feels so classic Let me talk to you, baby  
And I won't be shy  
You stole my eyes  
I swear you're classy  
Must admit you're fine  
Somethin' 'bout your style  
Sweet and sassy  
What's on your mind?  
Now it's you that's shy  
Girl, just ask me  
Do you feel this magic?  
And the G is blasting  
Swear you're something special  
Only one over everybody  
I'mma love you strong, baby  
I'mma love you long, babe  
You're my only one, baby  
You're the one I want, babe  
I'mma love you strong, baby  
I'mma love you long, babe Cause it feels, yeah, it feels, yeah, it feels so classic  
Cause it feels, yeah, it feels, yeah, it feels so classic Come to me, baby, don't be shy  
Don't be shy, don't be shy  
Come to me, baby, don't be shy  
So classic  
Come to me, baby, don't be shy  
Don't be shy, don't be shy  
Come to me, baby, don't be shy  
So classic Oh what a summer time, when we lost our minds  
Between the birds and bees  
Buzzing under blue skies 'til the full moon rise  
Playing with chemistry  
Baby, are you with me, oh Yeah, it feels so classic  
You and me, the magic  
And I know we have it  
Cause it feels, yeah, it feels, yeah, it feels so classic

Cause it feels, yeah, it feels, yeah, it feels so classic  
Come to me, baby, don't be shy  
Don't be shy, don't be shy  
Come to me, baby, don't be shy  
So classic  
Come to me, baby, don't be shy  
Don't be shy, don't be shy  
Come to me, baby, don't be shy  
So classic  
I'mma love you strong, baby  
I'mma love you long, babe  
You're my only one, baby  
You're the one I want, babe  
I'mma love you strong, baby  
I'mma love you long, babe  
Cause it feels, yeah, it feels, yeah it feels so classic  
hmm  
Cause it feels, yeah, it feels, yeah it feels so classic  
hmm  
Come to me, baby, don't be shy  
Don't be shy, don't be shy  
Come to me, baby, don't be shy  
So classic  
Come to me, baby, don't be shy  
Don't be shy, don't be shy  
Come to me, baby, don't be shy  
So classic
