

# One Track Mind

Mayer Hawthorne

My babys got a one track mind  
Only shopping bags with expensive tags  
My babys got a one track mind  
And she buys her thrills when my heart unveils  
Ooh I know what Im doing is wrong  
But baby gives me good loving all night long  
My babys got a one track mind  
But shes so fineMy babys got a one track mind  
Only thing she knows is designer clothes  
My babys got a one track mind  
Only crme brle and she gets away  
Ooh I know Im in a bad situation  
But baby knows just how to get my heart beat racing  
My babys got a one track mind  
Shes so fineWhen she walks in heels it gives me chills  
Oh but when I get the bills I swear my heart skips a beat for real  
My babys got a one track mind  
Only shopping bags with expensive tags  
My babys got a one track mind  
And she buys her thrills when my heart unveils  
Ooh I know what Im doing is wrong  
But baby gives me good loving all night long  
My babys got a one track mind  
Shes so fine  
Yeah shes so fine  
Ooh shes so fine  
Yeah shes so fine
