

cowboy angel

Last Train South

Words & Music by Robby King

Yeah I'm the Cowboy Angel, I mean you no harm
I've got no message from kingdom come
I ride the stars, space my domain
I ride with Able his brothers name Cain

Me and my ghost horse now we rodeo
up and down the cosmic bayou
Ropin' shooting stars and bulldoggin' asteroids
out in the middle of the terrestrial void

Pluto, Saturn Jupiter and Mars
I'm in and out of those star cowboy bars
Milky Way by way of the sun
I need no rope I don't need no gun
I do my riding all for the fun

I'm the Cowboy Angel there's no cause for alarm
This thing ain't no weapon it's my good luck charm
There's no reason for you to be scared
Nice place to visit but I wouldn't want to live here

(repeat the four verses)
