

You Are For Me

Plankeye

When I'm away you never change
Your love it stays, when mine, it fades
Men will say what they say
It doesn't change a single thing For you are for me Another day, it burned me up
Words are cruel like children
The strangest thing, I was born for this
As sparks, they fly upward But you are for me I got the shakes for the lions outside are awake
It's feeding time and it's my life that is the story line
The truth is strong and she holds me
She keeps me moving on when it gets overwhelming But you are for me Your day will come, hold on
